Technology Environment

- Open Source solutions:
    - Originators
    - Contributors
- COTS
    - Primary Implementers
    - Authorized re-sellers
- Custom Developed
    - NGO/Commercial/Local

Discussion

– How do we build and incentivize organizations to support LMIS/MIS interventions

– What are complimentary interventions/ investments that could be leveraged to develop communities?

- Within country/region
- Across the donor/IP community
